Wedding Celebrations

at CLEAVEL POINT | REMPSTONE | ISLE OF PURBECK

A natural choice

Cleavel Point is a stunning, secluded location with incredible views over the southernmost tip of Poole Harbour and its' islands. It provides an enviable location for a wedding or civil partnership celebration right at the water's edge.

And, it can be all yours !

Cleavel, along with Burnbake Forest Lodges and Campsite, is part of the family owned Rempstone estate, on the Isle of Purbeck. This enchanting oasis is surrounded by dramatic coastlines, blue flag beaches, coves, ridges and valleys, yet the bright lights of Sandbanks, Poole and Bournemouth are within a mere confetti throw.

We are also happy to introduce you to our team of handpicked suppliers who can help with every detail, from flowers and fairy lights to marquees and table linen ...

So, get in touch for a chat, a viewing and to start planning your unique, magical day in our great outdoors.

GOOD TO KNOW

- Cleavel Point can host a wedding celebration for up to 300 guests. The venue is not licenced for civil ceremonies, but once you have taken your vows a registrar can provide a celebration ceremony on the site.
- Access to Cleavel is via a rural track, a ten minute drive from Burnbake. Should you wish to arrange a shuttle for your guests, we advise using mini buses. Coaches will be too large for our roads.
- Should you need an electricity supply, you will need to organise a generator. We can help you with this.
- There is one, free standing mains water tap on site. We can help with the supply of portaloos.
- Cleavel is a Site of Scientific Interest and home to many rare species. For this reason, we can not allow fireworks, amplified music or hay bales.
- We politely request that you leave the site as you found it and remove any rubbish. Skip hire is recommended.
